Dear Resident/Business Owner

16<sup>th</sup> March 2018

### **Stratford Road, Wolverton - Road works update**

#### **Construction of New Signalised Pedestrian Crossing and relocation of Bus Stop**

This is a courtesy letter to update you with regards to the road works on Stratford Road, Wolverton.

As part of the new Lidl supermarket development scheme, aiming to improve local amenities, construction of a new signalised pedestrian crossing and relocation of the existing bus stop that are in progress.

Additional improvement / repair works to the existing boundary wall were identified and have incorporated within this scheme. This was to minimise disruption to local residents, traffic and on safety grounds. Unfortunately this now means that the overall program has had to be extended to cover all the works.

Works to the wall and new signalised crossing on the north side of Stratford Road should be completed by w/e 08<sup>th</sup> April 2018. We will then move to the south side on Monday 09<sup>th</sup> April, traffic will be controlled by temporary 2-way traffic lights. In order to carry out the proposed footway works on the south side and for safety reasons this will require the temporary suspension of 4 no parking bays for a 3-week period. Work will be carried out Monday to Friday with some works on Saturdays. It is anticipated that all works will be completed by end of April 2018.

We are working closely with MKC Network Management and Highways Adoptions Teams and every endeavour will be made to complete the works as quickly as possible.

Pedestrian and emergency access to properties will be maintained at all times. There are no planned road closures.

A plan of the site and extent of the works is attached for your information.

We thank you in advance for your patience and cooperation during these essential works. If you have any questions or comments about the scheme, please feel free to contact us.

Yours faithfully,

Carl Sayers,
