FOR APPROVAL

- NOTES :**
- GENERAL**
- Do not scale from this drawing.
 - All dimensions are in metres, unless stated otherwise.
 - All coordinates are based on the topographical survey stations information.
 - This drawing to be read in conjunction with other contract drawings.
 - This drawing to be read & printed in colour.
- CONSTRUCTION**
- Works shall comply with the *current Department of Transport Specification for Highway Works*.
 - All street furniture to be set back from face of kerb 450mm minimum.
- CDM (RISKS & HAZARDS)**
- Prior to commencement of construction the contractor is to liaise with all relevant statutory undertakers and protect / divert apparatus and to protect the workforce during the works. Any damage caused to the apparatus to be the responsibility of the contractor.
 - Contractor to undertake their own statutory plant checks on site prior to the commencement of excavation exercise.
 - The contractor is to make sure that any excavation should be adequately covered at night to protect both public and wildlife from becoming trapped.
- DISCLAIMERS**
- The topographical survey has been provided by *Greenhatch Group (drawing No. 20592-UGL)*, and TTP shall not be liable for any inaccuracies or deficiencies.
