Dear Neighbour

Please be advised that:

Goody Demolition Ltd

Having been employed by Milton Keynes Council will shortly be commencing with the demolition works for the vacant shopping centre situated at:

**The Agora Centre
Church Street,
Wolverton,
MK12 5GL**

Site Set-Up will commence on the **28/03/2022** and following this the works will continue for **22 weeks**.

Over the next few weeks we will be installing fencing, setting up our staff welfare units and erecting wooden hoarding around the site perimeter. Following this we will begin the process of internally stripping the building, prior to carrying out the structural demolition. Further letters will be distributed with updates throughout the Project.

This is to ready the site for the Milton Keynes Council 'Love Wolverton' Agora Regeneration Development that will provide new homes, shops and community space.

We apologise for any inconvenience that this may cause and will endeavour to carry out these works as quickly and quietly as safety will allow. The site will be registered with the Considerate Constructors Scheme (CCS).

Goody will use the site itself for parking of vehicles and Church Street / Radcliffe Street for vehicle movements, avoiding busy times wherever possible. If for any reason a vehicle has to wait before entering the site, we will ensure that this will be in an area which will not cause issues for other road users and will turn off their engine whilst waiting.

COVID-19 – Goody Demolition Ltd operate robust safety procedures to keep our staff and the general public safe throughout our operations.

Goody will ensure that the site has debris netting and/or screens erected around the perimeter, and will operate dust suppression and noise monitoring to reduce any environmental concerns to our neighbours.

If you have any queries, please do not hesitate to telephone our Contracts Manager James Wall on 07921 465888 or our Head Office directly at 01304 840126

Thank you for your understanding,

Kindest Regards

James Wall
