Wolverton Town Cricket Club Grant Report

In many ways 2021 was a successful year for the club. With support from Wolverton and Greenleys Town Council, MK Foundation and Sport MK adding to member's contributions, in 2021 we saw new sightscreens at the ground and most importantly a new digital scoreboard. The scoreboard brings WTCC right up to date, everyone agrees it has enhanced the ground. Scorers were particularly impressed. This was the culmination of a lot of volunteer work by the committee and could not have happened without the help of those above.
