

MKUH Governors

What are hospital governors?

Governors are members of Milton Keynes University Hospital NHS Foundation Trust who have been elected to represent the views of the public in order to influence and help shape the way our services are delivered to patients, making a valuable contribution to the way the hospital is run and the Trust's future plans.

What do hospital governors do?

- Listen to people's views about the hospital and represent them on the Council of Governors
- Provide opportunities for people to talk with them eg stalls, governor surgeries, events
- Hold the Trust's Non-Executive Directors to account

Who is my local governor?

There are 15 local constituency seats to which governors are elected, as well 4 appointed governor seats.

Become a member of MKUH

Milton Keynes University Hospital NHS Foundation Trust has thousands of members who help to tailor services to the changing needs of the community, work to improve patient experience and help develop the future of MKUH and the healthcare community.

Anyone can apply to become a member of MKUH, and membership is **free**.

Members:

- Are invited to Council of Governors' meetings, Annual Members' Meetings and other special events
- Offer ideas or raise concerns with governors
- Influence the development of the Trust and its services by speaking with governors and participating in surveys
- Vote to elect governors and can even stand as governor candidates in elections

It is completely up to individual members as to how involved they want to be, and we value any input citizens can offer.

If you would like to become a member, please complete the online form on the Trust website.
